20th Anniversary Celebration!

Thank you to all of our Patients for making 20 years possible!

Featured Patient Bob Edmonson

In this quarter newsletter we are featuring our long time patient Mr. Bob Edmonson (first from the right), shown here with his Championship Curling team.

Meet Bob Edmonson . He has been Dr. Narang's patient for more than 20 years. Bob started seeing Dr. Narang as his dentist when he was practising at Sherway Gardens. Bob says, "My long term relationship with Dr. Narang stems from knowing that Dr. Narang puts his patients interests ahead of his own." Bob says that he feels confident that he is being treated with the best that dentistry has to offer because of Dr. Narang's interest in keeping up with leading edge dental technologies and his interest in continuing education.

When Bob comes for his regular dental check ups, he enjoys his experience because it is what he calls "a people place", with staff that takes an interest in his oral health while making him feel comfortable.

In mid-February Bob and his curling team won the provincial championship of the Masters Division Beating out the top ten teams from across Canada.

No stranger to victory this is the 4th time in 5 years Bob and his

On Wednesday November 28th 2007, Dr. Arun Narang & Associates held a 20th Anniversary party for their Mississauga location. It was a celebration marking 20 years of providing the best in cosmetic, family and implant dentistry. It was also a time for Dr. Arun Narang & Associates to show appreciation to patients, family and friends for the honour of their patronage and support.

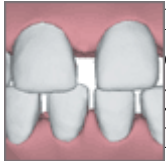

Thank you to everyone who made the time to join in the revelry. Champagne and delicacies were served, great music was played, many prizes were won and much fun was had by all.

TV personalities from Rogers TV Local News

team have brought home this trophy. Bob's interest in curling began in his teens and while he played at a recreational level for many years it wasn't until Bob retired in that he had more time to devote to curling and so he began playing competitively. In fact he's such a pro that when Team New Zealand qualified for the 2006 Winter Olympics in Torino, Italy, they chose Bob to come with them and be their personal performance advisor.

were present to report on the event. Their report was later aired on Rogers TV Local News as well as other television stations covering the GTA.

Invisalign: Versatilely Yours

From crossbite to overbite to underbite, and from over-crowded teeth to spaced-apart teeth, we've got you covered! Find out about some common problems we can treat with Invisalign.
